SCIENCE AND TECHNOLOGY

Target 2020 DAILY TEST SERIES - Test17

1. It is an egimatic cosmic object, Which is not actually so rare in the univerese. All it needs is a star with the mass atleast ten times that of our sun. Once the nuclear fusion with the star stops, then this cosmic object will tend to create three active regions known as Ergosphere , Event Horizon and Singularity with extreme amount of gravitational forces that's the reason this consmic object is considered to be the evolutionary endpoints in the life of a large star. Which among the following consmic object is described over here?
- (a) Neutron stars
 - (b) Red supergaint
 - (c) Black Hole
 - (D) White Dwarf

Answer: c

2. Which among the following statements best describes about the term "S-400 TRIMUF"?
- (a) It's a kind of multi targetable anti airfield defence system
 - (b) It's an anti ballistic missile defence system
 - (c) it's a kind of anti-aircraft defence system
 - (d) it's a kind of anti-stealth defence system

Answer: a

Target 2020 DAILY TEST SERIES - Test 17

3. Which among the following is defence vehicles is / are responsible for providing “Nuclear Triad” status to India?

1. Jaguar
2. Sukhoi-30 MKI
3. Sarath
4. Dhruv

Select the correct answer from the code given below

- (a) 2 only
(b) 1 and 2 only
(c) 1, 2 and 4 only
(d) 2, 3 and 4 only

Answer: b

4. Which of the following missions under the National Action Plan Climate Change (NAPCC) is/are implemented by the Department of Science and Technology?

1. National Mission on Strategic Knowledge on Climate Change.
2. National Mission for Sustaining the Himalayan Ecosystem.
3. National Water Mission.
4. National Solar Mission.

Select the correct answer using the codes given below.

- (a) 1 and 4 only
(b) 2, 3 and 4 only
(c) 1 and 2 only
(d) 1,2,3 and 4

Answer: c

5. The General Data Protection Regulation, which is a regulation on data protection and privacy for all individuals, is associated with which of the following region?

- (a) Asia Pacific Region
(b) South Asia and South East Asia region
(c) European Union
(d) North America and South America

Answer: c
